GRANVILLE HQ RE-OPENS

AFTER COVID LOCKDOWN

During the COVID-19 lockdown period our Granville office has been operating with a skeleton staff only but with many of our staff working from home.

We are pleased to advise that with the lifting of the lock-down we are now open for normal business but in a COVID safe way.

This includes a requirement for office attendees to use our QR code and maintain a safe distance from others. Hand sanitiser is provided. Should you wish to wear a mask and do not have one we will provide you with one.

Veterans, volunteers, staff and visitors will be required to provide proof of vaccinations or a certificate of medical exemption from an authorised source.

The installation of protective screens is nearing completion.

We operate in a COVID safe environment.

Frank Cole
President
