NOTICES

Anyone wishing to advise of a Reunion, or add to a Wanted Known list, should contact VVFA Head Office via vvfanatsec@vvfa.org.au Remember that our Newsletters are published each April, July and December, however we are able to add to our website lists at any time.

NSW Police called up for National Service 1965-72

I am seeking details of NSW Police who were called up for National Service (or who maybe failed the medical) between 1965-72. I am compiling a list of these personnel and requesting details and experiences prior to, during and after their army service. I hope to provide what I gather in a printed form for the AWM and the NSW Police Department. I know there are tablets at the chapel at the Police Academy in Goulburn listing police who served overseas but unfortunately many of these details are incorrect. I am doing this because far too often activities and events that take place in our lives go unrecorded and as we pass those who follow know nothing about the past and what happened.
