

**A PLEA FROM MUDGEES RSL SUB-BRANCH
PLEASE SEE WHAT THE NAVY VETS CAN DO.**

Hi all,

Some of you would have seen that the Sub-Branch set up a display of Vietnam related militaria and memorabilia during August, September and October at Club Mudgee. We have received some really positive feedback from the Club and its members and visitors.

During November, December and January, we would like to refresh the display and have items with a link to service in the Australian Navy. To support this, I am requesting that any members who may have items that they are willing to loan to the Sub-Branch for display, for this period to please contact me. They can be items like photos, badges, small equipment, items of clothing, medals, anything linked to you, your family or friends service in the Navy.

All items will be displayed in secure cabinets and returned at the end of January when we refresh the display again.

My contact details are set out below

Regards
Bill Burns
